

## Our Objectives

Encourage sports participation among diverse communities.

Promote inclusion through sport-based activities.

Develop educational materials to foster healthy habits.

Create a network of stakeholders committed to using sports for social change.

Support youth and community engagement in physical activities.

# Project Overview

BET ON SPORT is an innovative initiative co-funded by the Erasmus+ Sport program, aiming to leverage sports as a tool for social inclusion, well-being, and personal development. The project brings together partners from various European countries to promote physical activity, teamwork, and healthy lifestyles.
